## Fahd's Sex Shop Opening in Mecca Soon -

We look into the evils occurring in our Muslim lands

The corrupt Saudi regime, not content with violating the sovereignty of Allah by implementing man made law and taking upon itself the role of legislator, have intensified their war against Allah (swt), his Messenger (saw) and the Muslims by shamelessly violating the sanctity of Mecca as well, with their latest announcement that Western companies are invited to start a sex industry in Mecca.

The act of perversion from the Saudi regime will begin with the opening of a sex shop in the Mecca International Mall. It has been reported that erotic stock has already arrived in preparation for the opening in October.

On sale will be erotic lingerie, PVC body-wear and chocolate body-paints no doubt to be followed with the sale of sex toys, the opening of shops selling pornography and eventually the opening of legalised brothels in this the holiest site in the world for Muslims.

This attack against Muslims is no surprise however from a regime which allows Muslim land under its control, even as we write this, to be used as a base for US and British planes to murder men, women and children in Iraq. There is no doubt that all the current regimes in the world and their rulers have their own share of malicious and evil acts towards Islam and Muslims yet Saudi Arabia must rate as the most corrupted for its long length of crimes.

Historically speaking, prior to the twentieth century all of Arabia was part of the Islamic State (the Ottomani Khilafah). Then Abdul-Aziz Bin Abdul Rahman Ibn-Saud (the founder of so-called Saudi Arabia) with some Bedouin bandits rose with the help of the British against the Islamic state, conspiring to expel the authority of the Khilafah, and therefore Islam, from that region. If you study the oppression and corruption of Saudi Arabia it is difficult to know where to start. Saudi Arabia is a monarchy which is based on the principal that sovereignty and authority is for the monarch, i.e. the self-styled king and his brothers, and that the people have no say whatsoever even if the king contradicts the Shari'ah due to the threat of being subject to be beheaded.

The economy of Saudi Arabia is held in tight control by companies owned by the royal family and the poverty in which the people are living is miserable i.e. most of the people live below the poverty line in shanty towns and many live off of the litter/rubbish and leftovers. The injustice of the judiciary is clear when

we look at the amount of people who have been arrested and beheaded without a fair trial or any evidence. People have been imprisoned, murdered, tortured and have disappeared without trace and whoever tries to trace them has the same fate in contrast to thousands of the Saudi royal family who are considered to be above the law. Any resident non Saudi Muslim men or women are treated as slaves who are not allowed to work without having a master (i.e. Kafeel) who can keep them, give them away, lend them to another or deport them without notice or reason and in many cases without salary otherwise they could be charged with theft and have their hand cut if their Saudi master so desires, whose word is evidence! As if these violations were not enough the Saudi Kingdom tries to achieve what must be its 'crowning glory', by claiming that their actions are 'Islamic'.

### Comment:

We urge Muslims to do their responsibility by exposing the corruption of the illegitimate Saudi regime, to work together to liberate Muslim land from occupying forces and to work to establish the Khilafah wherever you are so that the religion, life, honour, mind and property of Muslims as well as non-Muslims can be protected.

## The Case of Palestine

In the name of Allah, Most Gracious, Most Merciful. I witness that there is no god but Allah and that Muhammad is His messenger.

And may the peace and blessings be upon the messenger's (saw) family and his companions (ra).

***"Now has come to you an Apostle from amongst yourselves: it grieves Him that you should perish: ardently anxious is he over you: to the believers is he most kind and merciful. But if they turn away, say: God suffices me: there is no god but He: on Him is my trust, He is the Lord of the throne (of Glory) supreme."***

The case of Palestine is a political one and not a military one. It was initiated after the imperialist disbelievers occupied the holy land after the destruction of the Islamic Khilafah State.

After Britain had occupied this land she gave it to the Jews as a political decision and not a military decision. All the imperialist states have supported this decision. Many revolutions were ignited after that decision starting with the 1929 revolution, then

the 1932, 1936, 1947 and then came the so called 1948 war, and then the traitorous 1967 so called war, and then the blessed Intifada. But all these revolutions have not helped to regain Palestine.

Now you see the U.S. is calling the Arab rulers to face their new Qibla, the Whitehouse in order to declare the new Palestinian State. This will confirm the loss of the rest of Palestine to the Jews. Yes, I mean Yafo, Asqalan, Haifa, Acco, and Safa. Once the Palestinian leadership declares her State this implies her recognition of Israel not only as a state living next to her side-by-side but also as a neighboring friendly state.

For how long will the imperialist disbelievers make decisions for the Muslims' issues?

The Muslims used to decide for themselves, they used to solve their problems by themselves. But since the destruction of their State the imperialist disbelievers started to solve their problems in a way that serve their own interests, not the interests of the Muslims. The Traitorous Arab and Palestinian rulers are willing to sacrifice Al-Aqsa Mosque, the land, and their own people for the sake of establishing the so-called "Palestinian State". Prophet Muhammad said,

**"The destruction of al-Ka'aba stone by stone is easier, in the eye of Allah, from blood shedding one Muslim believer".** Our Prophet Muhammad said,

**"The ruler's role is to protect Muslims, he is to be fought behind him."**

But the rulers of today are hiding behind their people and they are ready to throw their people into fire for the sake of their imperialist masters. It should be clear that all these traitorous treaties are not the work of the Muslim Ummah. These treaties are the work of the current rulers. We, by no means, consider what these rulers commit as reconciliation between the Jews and the Muslims who own this land. Jihad will continue till the day of reckoning.

The very least these rulers could do, against the Jewish aggression towards the Islamic creed, our blessed messenger and our noble Islamic belief is to halt the so called peace process with the Jews. Let them slaughter us all for our Ummah will never compromise over these issues!!

Remember what Allah (swt) tells us about the Jews and Christians,

**"Never will the Jews or the Christians be satisfied with you unless you follow their form of religion."**

This means that your rulers have followed them. It should be clear that the case of Palestine has no solution but one: Jihad to liberate the holy land from the Jews. The Jews understand one language, which is the language of force.

May Allah (swt) grant us the re-establishment of the Islamic State soon.

**Ameen.**

## Muslim leaders (traitors) violate Allah(swt) Deen by being present at the UN Millennium Summit on 6 to 8 September 2000.

As we all know that this week the oppressive Heads of State and/or Government of the Member States of the United Nations converge on the Headquarters of the United Nations in New York to participate in the Millennium Summit on 6 to 8 September 2000.

We urge Muslims to work against this kufr conference that promotes such kufr concepts as Democracy, Freedom, sharing power (UN), sovereignty to Man, Occupation of Muslim lands, and other societal ills such as abortion, Homosexuality, economical colonization of the world resources etc. which are all totally prohibited by our Rab (Creator -&- Master) Allah SWT.

6. It is Haram for us to let any non-Muslims or any army to be there on the Arabian Peninsula. The Prophet(saw) said," I will drive out any authority (the Jews and the Christians) from the Arabian Peninsula until authority is left for the Muslims only."(Ahmed -&- Abu-Daud)
7. We demand that the innocent Blind Shiekh Omar Abdul Rahman must be released from jail!!
8. That we will never comprmise Islam and it will dominate the world.
9. Khilafah (Implementation of Islam as a deen) is the only Solution for Mankind.
10. **Who so ever does not rule What Allah sent down is a disbeliever, a oppressor, rebellious.(5:44,45,47)**

**Remember there is NO Life or Dignity without Islam!!!**
