

Weapons Used by the Zionist(Jews) to kill our Muslims is supplied and supported by Britain & US

With every minute that passes the world is witnessing the tide of fate rapidly changing for the Jews of Israel and the hadith of the Messenger Muhammad (saw) becoming ever more a reality i.e. 'The day of Judgement will not come until the Muslims fight the Jews and the Muslims kill them?' It is verily an honour for the one who fulfils this prophecy of Rasoul Allah (saw) and what better time to do so than this latest war from the Jews against the Messengers of Allah and the Muslims by their violation of Al-Masjid Al-Aqsa which has left a bitter taste in the mouths of all Muslims worldwide.

Allah (SWT) has witnessed the call of the Muslim masses, individuals, groups, organisations and peoples and surely this call will not go unanswered. The International Islamic Front, as an umbrella for many Islamic Movements therefore must respond to the call of Allah (SWT), his Messenger Muhammad (saw) and Muslims worldwide, by openly inviting any Muslim who wants to participate in Jihad in Palestine or wants to support this Jihad financially to contact us as soon as possible.

The Muslims in Palestine are today appealing for your help and it is an obligation upon Muslims wherever they are to respond by helping verbally, physically, financially or militarily. For Allah (swt) says:

"If they seek your support you must support them" [EMQ 8:72]. And: "And spend for the cause of Allah (i.e. Jihaad) and do not contribute to your destruction by you miserliness" [EMQ 2:195]

And: "Why must you not fight for the sake of Allah and of those who, being weak, are ill treated and oppressed, men, women and children whose cry is: our Lord rescue us from those people who are oppressors and raise for us from thee one who will protect, and raise for us from thee one who will help" [EMQ 4:75]

And Allah (swt) says: "Indeed Allah has traded with the believers their lives and wealth in return for paradise if they fight for the cause of Allah whether they are martyred or victorious and this is a promise from Allah which he has made a duty upon himself clearly recorded in the Torah, the Bible and the Qur'an. And who is more faithful in his promise than Allah; so enjoy this good news for your allegiance and loyalty to your Lord for this is the greatest achievement?" [EMQ 9:111]

O Muslims wherever you are. Hold firm to the book of Allah and depend on none but him, fight the enemy of

Police Arrest Members of Al-Muhajiroun

Jewish controlled police arrest Muslim youth

Police in Birmingham have arrested three Muslim youths for fly-posting advert about a conference "Save Palestine" to be held on Friday 6th October at Small Heath Community Centre, Muntz Rd, Birmingham.

In the late hours of last night (about 11.30pm) police arrested 3 Muslim youths: Malik Saleem (22), Mohammad Farooq (21) and sajaad Hanif (20). Later, (at approx. 4.00am) police barged their way into the family home of one of the youth (Malik) and started to remove articles from his house. The Muslim youths seem to have been arrested for organising a public meeting in protest against the Jewish atrocities, and the illegal occupation of whole of Palestine and Al-Quds which has the 3rd holiest Mosque (Al-Aqsa mosque).

The meeting is organised by members of the radical movement "Al-Muhajiroun" Birmingham-branch. Their arrest is a clear indication of the tight grip that the Jews have over the authorities of Britain. It seems clear that the Jews will fight the Muslims in Britain to the last Englishman!

The representative of Al-Muhajiroun-Birmingham branch said: I was contacted by Maliks family who have been led

to believe that the youths were arrested for fly-posting material against the State of Israel. This is an outrageous charge, and a charge which every Muslim will find extremely offensive the posters advertising the public meeting contain notes on the atrocities committed by the Jews recognised by the whole world and quotation of the saying of Prophet Muhammad(s.a.w). It is not clear which one of these two the police/Jews found offensive. The saying of the Prophet on the poster was "the hour will not come till the Muslims fight the Jews and kill them" -This is what the Muslims believe will happen as prophesied. In fact the advising lawyer has clearly said that it is neither offensive to publish or to distribute religious material, otherwise all torah; publishing companies would be arrested and charged for similar offences.

O' Muslims, we have a duty to speak out and to act against the oppression that is continuing in Palestine or any other part of the world. We must support each other and co-operate against the enemy of Islam and Muslims. We must not stop just because some Jew or their puppets find the truth offensive. Khilafah Movement (Harakat ul-Khilafah) Birmingham 07779201976.

Comment: The Muslim Ummah is the most peaceful nation ever brought to mankind. The words "...kill them" refers to those jews who preform aggression against Muslims, these are the Zionists who look upon the loss of a fingernail equal to the loss of 100,000 Muslim lives! (Public Comment made by previous Foreign Minister of Israel!). We have a duty to make Muslims who have fallen asleep to rise up and awaken to their true identity, so that Muslims do their duty to what Allah(swt) has commanded them in the Qur'an.

Muslims cannot coexist with other religious denominations **unless** under the divine system of ISLAM. This is because Islam protects the lives, honour, dignity of all citizens within the Islamic state (Al-Khilafah) wether they be Muslim, Jewish, Christian, Buddhist, Hindu, atheist, etc. (Fact: For more than 1300 years has ISLAM Successfully looked after the affairs of mankind)

UNITED NATIONS, Oct 3: The UN Security Council failed on Monday night to adopt a resolution condemning the killing of dozens of Palestinians in clashes with Israeli security forces over the past five days, diplomats said. It has also be suggested by the government of Egypt, Jordan and France that a UN force should be deployed to protect the zionists since the PLO where not doing there job correctly! **Comment:** This shows that the UN is an oppressing regime that is working against the Muslims worldwide. The 55 Muslim countries that have signed up to the UN are committing Kufr and are commanded by Allah(swt) to withdraw from the UN and we urge the Muslims of that land to understand the true essence of ruling by ISLAM (Al-Khilafah) and then by forming Islamic groups, work to overthrow these oppressive governments in our lands. Israeli Killing of Muslims

We have seen recently that the Likud Party leader and the Butcher of the Sabra Shatila camps in Lebanon paid what he described as a 'peace visit' to the Al-Aqsa Mosque. Whilst protected from all sides by Israeli police and soldiers, he declared that the Al-Aqsa Mosque belongs to the Jews, to add more fuel to his provocative visit. Days of violence followed, and Yassir Arafat and his co-conspirators egged on the Muslims to fight fire

with stones, not caring that more than 50 Muslims were killed as a result. Apart from the fact that there has been a concerted effort for many decades to localise the issues when the matter is as clear as the Middy Sun. They want the problem not only to be of Palestinian concern solely, but also to set the vision not to liberate the whole of Palestine from the zionist occupiers but just small pieces, so now the vision to liberate East Jerusalem has consolidated Israel's presence in the region. And what is the response of our ever reliable rulers.

The Arab League issued a statement calling for those responsible for the Palestinian deaths to be put on trial. Whether it is possible to place a state in the dock is another consideration, yet the words of condemnation are as empty as the solutions they bring. The Sheikh of Al Azhar in Cairo, who is appointed by the Egyptian President said Israel had committed a horrible crime and should be punished by force. Whose force is he alluding to, was his empty statement reinforced by his sponsor, Hosni Mubarak who met with Bashar Assad in Cairo and who was very generous in entertaining the journalists with his trivial and irrelevant jokes in the press conference they both held there. Mubarak said:

"I call for an Arab summit as soon as possible so that the Arab countries can resolve outstanding issues. Otherwise they will remain disjointed."

What outstanding issues are there, let us remember the last useless Arab summit which was held at the Sharm Al-Sheikh resort in Egypt, the discussion there was prompted by the bombings in Askelon and Tel Aviv, it was designed to fight against 'Terrorism', not against Israel. What will come of more cheap talk, it is more to divert and appease the Ummah than to solve the problem of the existence of Israel. Jordan's Foreign Minister, Abdulillah al-Khatib, said such a summit would serve "the interests of the Arab nation in this extremely sensitive phase". Such a summit will only serve the Colonialists agenda, and move the peace process forward. And Allah (Swt) said in Surah Al-Israa

"And we made (this) known to the Children of Israel through revelation. 'Twice indeed, will you spread corruption on earth and will become grossly overbearing'. Hence, when the prediction of the first of those two (periods of corruption) came true, we sent against you some of our bondsmen of terrible prowess in war, and they wrought havoc throughout the land: and so the prediction was fulfilled. And after a time we allowed you to prevail over them once again, and aided you with such wealth and offspring, and made you numerous (as ever). And We said: "If you persevere in doing good, you will but be doing good to yourselves; and if you do evil, it will be done to yourselves." And so, when the prediction of the second (period of corruption) came true, we raised new enemies of you, and allowed them to disgrace you utterly, and to enter the temple as their forerunners had entered it once before, and to disgrace with utter destruction all that they had conquered." [Al-Isra: 4-7]

And Allah (swt) alone knows whether these ayaat mark the period we are in today. But sufficient to say the day marking the Israa (Night Journey) and the Me'raj (the Ascension) is soon to befall upon us, may Allah (swt) mark this with the return of the Khilafah as has been promised in the hadith of the prophet (saw) with Al-Quds as its capital, and the Al-Aqsa mosque returning back to the hands of the Sincere Muslims. And may this remind us of what it is reported that the Prophet (saw) said when he was taken up through the heavens during his ascension, that when he was shown the east and the West by Allah (swt) all he could see was the dominion of Islam.

And we pray to Allah that this is realised. Page 2
