

Are Muslims allowed to Vote in US/UK Elections? NO!

From Political Group: "Al Muhajiroun"

Bismillah Arrahmaanirraheem,

Dear Brothers in CAIR, ICC, AMC, AMA, MPAC, and to all those sick minded muslims who were really deceived by the western civilization, I say to you what Allah says in his BOOK:

".....they seek to be ruled by the TAGHOOT and they were ordered to DENY IT...."(QURAAAN).

Accepting George Bush to be your president is accepting the KUFFUR rules, and the KUFFUR Law and Order.....Accepting George Bush to be your president is accepting the U.S heavy weapons support to the illegatimite state of Israel to kill your muslims brothers and sisters and families there..... Accepting George Bush to be your president, is accepting the killing and the massacring of 1 million Iraqi children..... Accepting George Bush to be your president, is accepting all the massacres and killings that he is going to commit under the banner of democracy and freedom.....Accepting him to be your president is accepting ALLAH's anger and rage to be sent to you sooner or later.

Because of this, we are calling you to repent and withdraw your support to all these KUFFAR and work to establish the Islamic State (The KHILAFAH) as Allah and his messenger has ordered you to do, not as your sick minded scholars have told you to do!

Wallahi you will carry the sin of 6 million muslims in America in the day of judgement, and you have to be ready to defend yourself before Allah azzawajall when he will ask you "Why you have chosen a KAAFIR to be over you?" then what answer will you have for your Lord?! Will your answer be "Oh Allah, we have chosen the "lesser of two evils"??!!Or will it be "OH Allah we used AL-MASLAHA"??!!OR will it be "Oh Allah, we followed the prophet Yusuf's footsteps because our prophet Muhammad is not worthy to be followed"??!!.....

Oh ignorants, Oh deceivers of the UMMAH of Muhammad(PBUH), Oh blind followers, Oh you who are calling people to the Hell Fire:

REPENT BEFORE IT IS TOO LATE!!!

"O you believe answer the call of Allah(swt) and His Messenger (saw) to that which gives you Life."(8:24)

Remember there is NO Life or Dignity without Islam!!!

"...Oil is running out in the world, western countries are importing more and more of our precious Muslim Oil. The demand will out strip the supply and the world will be fighting over what resources are left! Muslims are urged to work to re-establish the Khilafah state as soon as possible otherwise anarchy will result by the hands of the Kufar! "

MCB SELL OUT MUSLIMS TO THE BRITISH GOVERNMENT!!

While the TV, Radio, Internet, Satellite and Newspapers bear witness to the fact that Muslims world-wide are condemning the US, British and Israeli regimes for their continuing atrocities against Muslims there are those who have declared war against Allah (SWT) and his Messenger Muhammad (saw) by supporting the British, US and UN!!!!?

While Muslims world-wide call for Jihaad by body, tongue and money against the enemies of Allah there are those who go with their begging bowls to the Kuffar who are at war with Muslims to ask the same enemies for help thereby openly violating the Shari'ah of Allah!!!

While sincere Muslims work to put fear into the hearts of the enemy by repeating the saying of our beloved Messenger Muhammad (saw) that the 'Hour will not come until the Muslims fight the Jews and the Muslims kill them?' [Bukhari] there are those who call for the arrest and deportation of these Muslims thereby adding their voice to that of fascist Kufr regimes such as the US and British!!!

NB. The British home Secretary Jack Straw is due to meet the MCB to decide the fate of certain Muslims working to liberate Palestine?May Allah (SWT) curse the meeting and its participants and give them a sign of his punishment in their health, families and wealth in this life and in the next?Ameen. These people are the self appointed and unrepresentative MCB (the so-called Muslim Council of Britain) set up by the British to attempt to eradicate all Islamic Movements calling for the liberation of Muslim land and working for the world-wide Islamic State i.e. Al-Khilafah which is against the interests of the British.

The minority MCB far from having any Islamic scholar or even student of Ilm among them are acting against what is known to be haram by necessity (i.e. where the Aalim and Jahil are equal) by going to the head of the snake Tony Blair and asking for his and the British Governments help over the crisis in Palestine (just as they have gone to them over Chechnya, Kosova and Kashmir in the past). After all let us never forget that: It is the British oppressive regime itself who are currently killing us in Iraq, It is the British who gave away Palestine to the Jews in the first place in the Balfour Declaration of 1917, It is the

British who have been and are foremost in their support of the Israeli cancerous regime, It was the British who spearheaded the destruction the Khilafah in 1924, It is the British who are criminalizing the support of Muja-hideen through the Terrorism Act, It is the British who bombed Muslims in Afghanistan and Sudan thereby killing innocent men, women and children in 1998? etc?etc? etc? Do the MCB and their like have no common sense at all!

The clear- cut and unambiguous Divine commandment of Allah and the Messenger Muhammad (saw) is that it is prohibited to have friendship or to ask for protection from those who fight you or drive you out of your land or support those who drive you out of your land. Allah (swt) says in the Qur'an: "Allah FORBIDS YOU with regard to those who fight you for your faith, and drive you out of your homes, and support others in driving you out, from turning to them (FOR FRIENDSHIP AND PROTECTION). It is such as turn to them (in these circumstances) that are Zhaalim (oppressors)." [EMQ 60:9]

Surely anyone with even partial sanity can appreciate that to therefore go to the Prime Minister of Britain and to share a platform with him or to ask for his help is therefore an anathema to Allah and his Messenger and a slap in the face of all those Muslims who are sincerely struggling against the vehemently anti Islamic and fascist British government and its policies. Moreover to be friendly with tyrant rulers (Mukhalattat Al- Hukkaam Al-Zalamah) is prohibited as a matter known from Islam by necessity. In addition, it is prohibited to co-operate with the Kuffar in any matter because Allah (swt) says in the Qur'an: "Co-operate on the Birr and Taqwa and do not co-operate in sin and transgression and fear Allah for Allah is severe in punishment." [EMQ 5:2]

According to the classical scholars Birr is that which Allah (swt) has requested us to do and Taqwa is the fear of Allah (swt) which are both impossible for the Kuffar since whatever they do will be considered as disobedience of Allah and a sin as it is known by necessity that whatever is not done to please Allah will be rejected by Allah on the day of judgement. To have an alliance with the

disbelievers (Muwallat Al-Kuffar) against the Muslims such as helping them against groups such as Al- Muhajiroun and condemning the actions of fellow Muslims, even if you disagree with them, together with the Kuffar is also prohibited as a matter known from Islam by necessity. For Allah

(swt) says in the Qur'an: "...those who love the disbelievers above the believers are oppressors" [EMQ 9:23] And "O ye who believe! Take not the Jews and the Christians for friends and protectors: They are but friends and protectors to each other. And he amongst you that turns to them (for friendship) is one of them. Verily Allah guideth not a people who oppress" [EMQ 5:51].

We condemn the MCB as the tongue of the British regime and call upon all Muslims to disassociate themselves completely with these enemies of Allah (swt) and not to be naïve or to act in ignorance or jealousy.

The MCB claim that they are the representatives of the Muslims Community, however without the presence of the Islamic State (i.e. the Khilafah) nobody has the right to claim that he/she/they or any group or organisation represents the Muslims community although every Muslim is obliged to be the voice, the eyes and the ears of the Muslims to defend Islam and Muslims.

In fact this is not the first time the British establishment has used Moderate Muslims (those who have allegiance to man-Made law and its representative, the Queen and her government rather than to be loyal to Allah only and to submit to the law of Allah). It is a shame that there are secular Muslims who are proud to integrate with man-made law and are more than willing to sell their belief for the sake of British citizenship, fame and fortune.

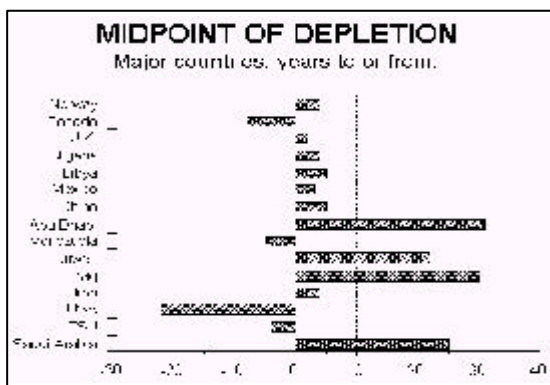

The MCB must either be on the side of the Muslims and refer to the Qur'an and Sunnah as their only reference and agree that we are at war with Britain or they will forsake Islam (i.e. become Murtaad) and accept the Queen as their Sovereign, but they cannot have it both ways, unless of course they believe that they can say one thing to their masters in the British government (showing them how they love them all) and attempt to legitimise it by saying something else to the Muslim Ummah. Fortunately for us and unfortunately for them the Ummah of Muhammad (saw) is not that naïve! There is indeed an ocean of difference between Islamic revolutionaries and the sorry MCB.

We therefore invite the MCB to wake up and to join the Ummah of Rasoul Allah (saw) in the struggle of Haq against Batil, of Halal against haram, of Allah's law against Man made law.

Ask for forgiveness and repent since if you continue as you are you will surely fail in this life and in the hereafter. Remember that dignity and respect do not lie with the British government or the Queen but are bestowed upon the servants of Allah by Allah (swt).

The World is running out of Oil !!!?

Extract from a letter sent to the President of the USA regarding the current Oil war that is soon to engulf the world.

The War on resources has started, US Bases are planted everywhere and America herself had reached its peak oil production in 1976 and now imports oil from the Muslim countries. This would account for the Gulf War and why US bases are planted in every muslim country. The US base in Saudi Arabia has 15,000 american troops stationed with weapons and the ability to strike gulf states within hours - No more is there a need to send in the fleet, a pre-emptive strike can happen much quicker. The new US 5th fleet is in the Persian gulf and can react to any threat.

Back to the Oil - Did you know that Oil exports from Muslim countries will continue well into the middle of this century and that the western world will be totally reliant upon Muslim Oil? The largest untapped oil deposits in the world is to be found under Muslim land in Western Kazakhstan - Why did Maddam Albright visit Kazakhstan in April this year? Oil production throughout the western world is reducing by 6% a year and the following graph outlines this point. To read more about the Oil Crises that is going to change the face of the earth, read the special report that exposes the truth about Oil & World Politics! on the Islamic Truth Website at <http://www.islamic-truth.fsnet.co.uk>.
