

**Question:**

How does one calculate zakat on jewellery - gold or/and silver. When and how often must zakat on jewellery be paid, one off or not?

**Answer:**

Assalamu Aleikum,

Zakat is not payable on Jewellery or cosmetic regardless its from diamonds, gold, silver or pearl. But if it was acquired for investment purposes then Zakat becomes payable on it. Reported in Ibn Majah, Ahmed, Beihaqie that the Messenger Muhammad (saw) said: " There is no Zakat on Jewellery".
